**September 18, 2023**

Hold public hearing on the preferred alternative redistricting plan. Board of Commissioners may adopt the resolution to redraw commissioner districts according to the preferred redistricting plan.

# Parameters Used

- Districts are fully contiguous
- Recognizing communities of interest (i.e., precincts, municipal boundaries, physical features like roads and waterways, and/or other historical, cultural, or economic communities)
- Compactness
- Preserving the core of existing districts
- Avoiding pairing incumbents (known as “double bunking” to promote stability)
- Take into consideration future population growth projections

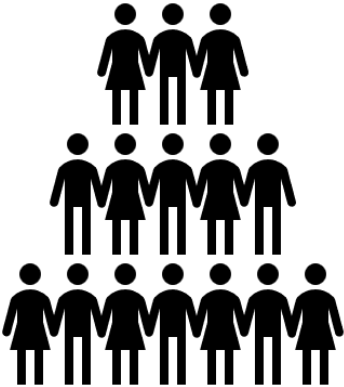

# 2020 Census Information

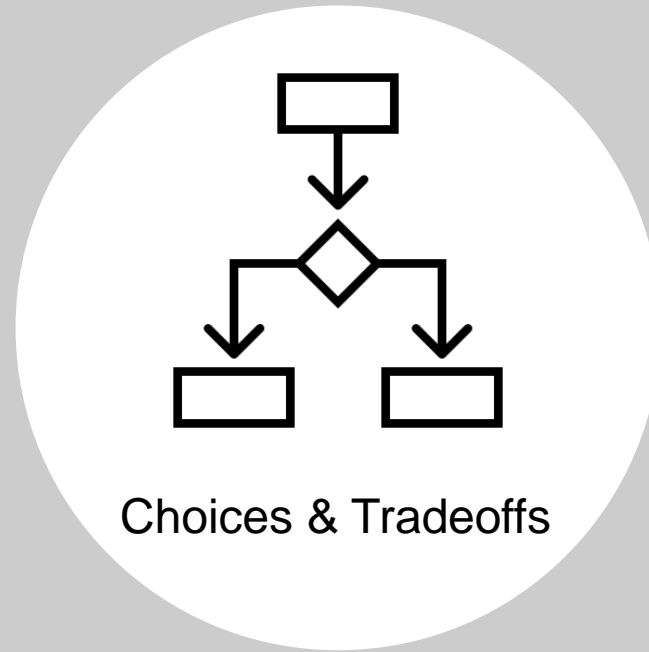

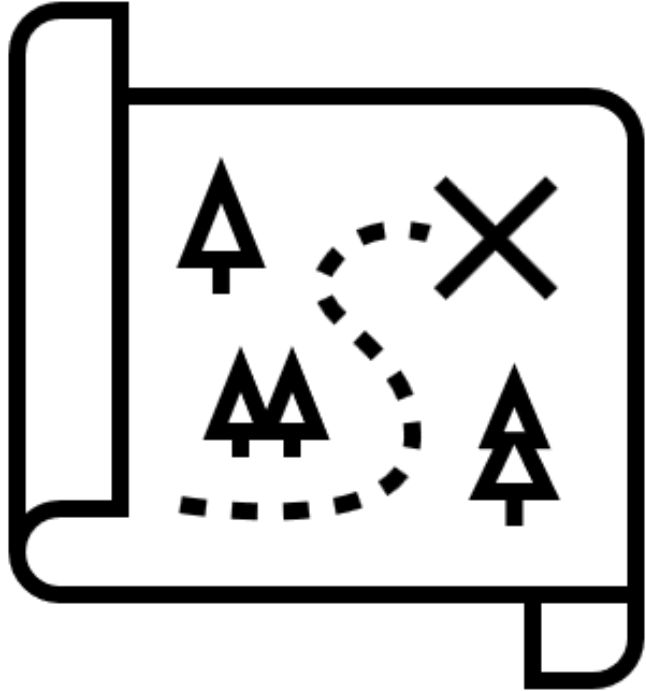

Target Apportionment  
(per district): 15,257

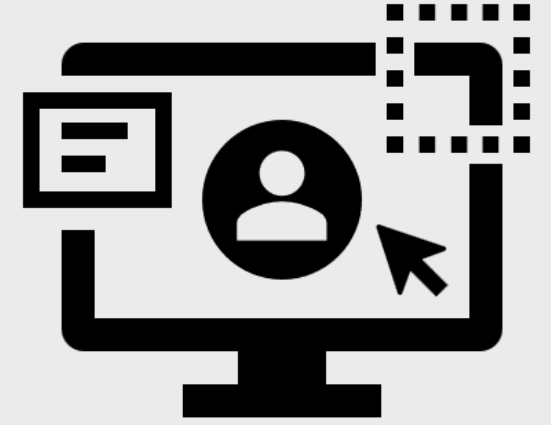

Chatham County  
Population (2020):  
76,285
